FREIGHT POLICY ADJUSTMENT

Due to the unprecedented increases in freight transportation costs over the last year, which are continuing to increase, we found it necessary to make an adjustment to our freight policy. This new policy takes effect Monday February 1st, 2021.

As a wholesale distributor only, Kaplan/Blue Steel has notified your local sales representative of this change and they should be reaching out to you shortly. Please feel to contact your regional sales representative (list provided on web site) if you have questions or you can also contact our customer service department at the toll free listed above for details on the new policy.

We thank you for your understanding, Kaplan/Blue Steel Scuba strives to bring our customers the best product, value and service and looks forward to continuing to serve you in the years to come.
